# Code Enforcement

- Multi-Family Housing Ordinance: We are working with City Attorney's office to draft, adopt and implement ordinance which establishes regular inspection of multi-family housing to identify violations of Fresno Municipal Code sections regarding housing conditions and abatement of those violations.

# Lead-Free Lowell

- Code Enforcement Lead Safe Housing Team has completed a lead visual survey in Lowell to identify Pre-1978 Housing units in Poor Condition, with Visible Deteriorated Paint, and occupied by a Child under the age of Six. We have identified 115 qualifying properties.
- The 115 properties identified will have a LHC Grant program information packet mailed to both tenant and owner.
